

WEB PAGE DESIGN

DO YOU NEED A WEB SITE?

- ◆ If you want to document activities, share pictures and communicate with an extended **family**, you can do it very conveniently with a web site.
- ◆ If you have a **club**, church group, hobby group to organize and promote a web site is a great low-cost communication medium.
- ◆ If you have a **non-profit** agency you will want to advertise and solicit donations and volunteers with an online presence.
- ◆ If you have any kind of **business**, service, sales, or professional, a web site enhances your image and multiplies your ability to reach your target market.
- ◆ **I can supply complete web page design solutions utilizing my design, software coding and marketing experience. You can have a professional, low-cost web presence. Email me for a no-obligation quote.**

Retail sales on the web are more than \$7 billion, business to business sales are more than \$22 billion. Claim some of this business for yourself!

When did google become a verb?
